### You Can Stop Looking for Help as Estate Executor

Suddenly you're executor of an Ontario estate.

You need legal advice you can trust to handle an estate with confidence. You'll benefit from jargon-free, practical tips from a Certified Estate Specialist and estate author. You'll stop struggling with your legal duties on your estate journey.

You'll find it enjoyable working with my experienced friendly team. You will be greeted by them upon arrival in a converted house near Jane subway station in Toronto's West End.

If you are an Ontario estate executor, I recommend you read my report, [Start Your Executor Journey](#). This [Welcome Letter](#) can help you get started. You'll find answers to many frequently asked questions.

#### 1. Q. Why do I need an initial meeting?

Contact my office to book an initial meeting to learn how I can help you. My initial meetings are for 45 minutes at reduced rates. You have no further obligation. Read my simple [Initial Meeting Agreement](#).

You can ask questions and discuss your needs and receive a fee estimate.

**2. Q. I am an estate executor under a will. Do I need an initial meeting?**

Yes, and ideally you will provide a copy of the will before our meeting. This helps save time. I can then provide you with an outline of steps you need to take as an executor and a timeline.

**Please know I am ready to help you.**
